

It is our desire to create a healthy, safe environment for all children who attend children's programs at Mosaic of Winchester. In an effort to maintain a healthy environment for the children, please do not bring your child to Mosaic Kids programs if he/she is exhibiting any of the following symptoms:

- Fever over 100 F or vomiting within 24 hrs
- Discharge in and around the eyes
- A harsh cough or yellow/green nasal discharge
- Diarrhea or loose stools within 24hrs
- Questionable or unidentified rash, any open sores or weeping wounds
- Head lice, pinworms, pink eye, ringworm, impetigo, etc.
- Any communicable disease or any symptom that they would stay home from school with

If a child exhibits any of these symptoms while at Mosaic Kids, parents will be contacted to come and pick up their child. The child is welcome back whenever these symptoms cease.
